

German Teachers' Network Tasmania

About Us

The Network consists of a group of dedicated and energetic practising, aspiring and retired teachers of the German language and culture. We teach at primary schools, middle schools, high schools, senior schools and secondary colleges (years 11 and 12 in Tasmania). Some also have private students. We meet at least once a term.

Membership

Membership of the Network is open to all practising, aspiring and retired teachers of the German language and culture.

Membership fees are \$ 30 /year.

Once a member, teachers may apply for a grant of up to \$ 100 per calendar year to spend for a special project or resource in the school/institution.

Support for German

The Network offers professional learning opportunities for teachers (at least twice a year), and a scholarship (provided by the Goethe Institut) and a competition for students.
